

GOLD COIN LIES IN INTERNATIONAL RUIN

MACKAY AND FAIR TOSSED DOUBLOONS INTO RECEP-TACLE OF CORNER STONE

A rich treasure seems to be in store for some lucky person. Old timers who resided in Virginia City when the International hotel was built remember vividly the time the cornerstone was laid for that famous structure. Mackay and Fair were there, and just before the stone was covered each took a handful of gold coin and placed it in the rock. Other well-to-do people placed their share there and a large sized sum was the result. Not coin alone, but other valuable articles were placed in the stone until it became worth a small fortune. Articles of historic interest which would now be almost priceless to the owner were put in to fill up the hole in one of the most valuable pieces of rock in the west, says the Chronicle.

The old timers who tell of the laying of that cornerstone, declare that it has never been touched unless done so maliciously, and as it would be a hard proposition to empty that rock of its contents, it seems likely that it may still hold the valuables.

It is customary to lay a cornerstone at the northeast corner of a building, and the men who told this story believe this was followed when the International hotel cornerstone was laid.

REWARD CASE APPEALED

Notice of appeal was filed with the clerk of the supreme court by the attorney-general in the case of Smith et al. vs. the State of Nevada in the suit for the collection of \$5,000 as a reward for the arrest and conviction of Indian Mike several years ago. Judgment for that amount had been allowed the plaintiff by Judge Langan in the district court a short time ago.—Carson News.

PLEASE RETURN TO THE BONANZA OFFICE

The editor of the Bonanza has a flock of domestic doves, which he is raising for the purpose of distribution throughout the county without cost to any one except the owner. One of them escaped this morning. It has a black ring around its neck. The owner would be grateful if the bird were returned. These doves breed about eleven times each year and it is hoped to have them supply sport for the hunter and food for the desert dweller in time.

SEEK FORECLOSURE MORTGAGE

The status of the Nevada Sugar company promises to be changed by a suit that was started in the federal court at Carson City last Wednesday by the Detroit, Mich., Trust company and R. C. Bailey, where they are seeking the foreclosure of \$200,000 worth of first mortgage bonds issued by the Nevada Sugar company under date of July 1st, 1911. In addition to the defendant company, I. H. Kent, its receiver, is made a party to the suit.

WHO'S WHO OF STATE FAIR

The removal of the state fair from Reno to Fallon, authorized by the last state legislature, is the cause of much speculation in regard to who's who in the state fair control board. The directors of the state board of agriculture, having the state fair in charge, number 15, of whom 10 reside in Reno.

CASE IN DISTRICT COURT IS POSTPONED

The case of Clar vs. McLeod, which was set for today, has been continued until April 22. This case involves title to placer mining property in Manhattan district and other matters. There is also an action of trespass included in the case.

NOTICE OF REMOVAL

Tonopah Drug Co. has moved across Main street to the store formerly occupied by the Ideal cafe, where they will be glad to receive their old patrons. F277t

FLORENCE KEEPS UP FORMER PRODUCTION

MARCH OUTPUT OF PROPERTY TOTALS 250 TONS OF ORE

The March output of the Florence mine totaled 250 tons of ore of a good grade, which fact reflects the conditions prevailing in the mine. The output was largely yielded by operations on the 250-foot level, says the Goldfield Tribune. Late developments in the mine have been of routine, yet highly gratifying character.

Stopping continues above raise B from the south drift on the new vein which was revealed several months ago by the west crosscut advanced from the main north drift on the 250-foot level in the old Florence Consolidated lease territory. The stope is being advanced on a cross vein or hanging wall section of the ledge proper and is yielding three feet of ore that carries average values of \$28 per ton.

JUDGMENT AGAINST HOTEL REDEEMED

SAN FRANCISCO BANK BUYS UP CONTRACTOR'S CLAIM ON RENO PROPERTY

By redeeming the judgment held by Eugene Schuler, amounting to \$21,171.32, formerly a local contractor, against the estate of Frank Golden, deceased, the First National Bank of San Francisco acquired a claim against the estate aggregating \$126,673.51, having been given a judgment in the district court by Judge Stoddard on March 11 for \$105,502.19. The Schuler judgment was given several years ago and property in the Hotel Golden was sold to satisfy it, says the Gazette. The redemption was made by C. E. Mack, legal representative of the First National Bank.

In addition to the judgments against the estate mentioned, Ross Condon of Tonopah has a claim for \$11,000 and Mrs. Amanda Edden of Wadsworth a claim for \$3,000. The Schuler judgment was originally for the sum of \$20,940.88, Schuler suing for money due for constructing the fourth story of the Golden hotel.

"MAUNDY THURSDAY" RITES ARE OBSERVED

ANCIENT CEREMONY OF EXTINGUISHING THE LIGHTS RELIGIOUSLY PERFORMED

The Tonopah Scottish Rite association, which is composed of resident members of A. & A. R. S. of Freemasonry, observed the "Maundy Thursday" ceremony last evening at the Masonic hall. After the banquet many interesting and instructive addresses were delivered.

The following officers were elected for the ensuing year: W. W. Anderson, president; Al Smith, vice-president; R. B. Davis, treasurer, and I. C. Arnold, secretary.

BURKE WILL BECOME INSPECTOR OF POLICE

D. S. Dickerson, the newly appointed captain of state police, yesterday filed the bond required by law, after it had been approved by Chief Justice Norcross. He then immediately assumed the duties of the office. Practically his first announcement was that Alex A. Burke, the retiring chieftain, had been offered the post of inspector in the department and that he had accepted, says the Appeal.

Captain Dickerson also stated that for the time being the headquarters of the station would be kept at its present location, with the exception of the Bertillon department, which would be removed to the prison. What other changes, if any, that are to be made in the office, have not yet been announced.

LOWER COURTS SUSTAINED

Opinions were filed by the supreme court today in the appeal cases of Joe Pierpont, convicted of rape, and John Clancy, convicted of robbery, respectively, in Esmeralda and Washoe counties, sustaining the judgment of the lower court. In the divorce case of Albee versus Albee, appealed from the district court of Washoe county, judgment was also sustained.—Appeal.

MINERS-KEEP AWAY FROM SOUTHLAND

LABOR MARKET FLOODED AND MORE IDLE MEN ARE COMING

Every train brings in men seeking work. This is an unfortunate state of affairs in view of the fact that, while occasionally men are being employed, it is impossible yet to place at work all those who have been idle through the greater portion of the winter. In the course of a few weeks all those who have waited for jobs could have been put to work, but for every vacancy there are seven applicants, due to the arrival of people seeking work.

Similar conditions prevail at Goldfield, Round Mountain, Manhattan and other southern camps. These districts are making good and are increasing their working forces as rapidly as possible, but there are already more than enough men on the ground for all the positions that will be made during the next several months and only hardship will be entailed by more men coming in. When the time is ripe for an influx of miners and other laborers the Bonanza will make announcement. At present, however, their coming is in extremely ill-advised and this paper requests other Nevada publications to repeat this warning. There are at present over 400 idle men in Tonopah looking for work. So men keep away.

EVERYBODY ASKED TO CLEAN PREMISES

TEAMS WILL HAUL AWAY ALL RUBBISH WHICH IS PILED UP BY PROPERTY HOLDERS

In compliance with Governor Boyle's proclamation, the local authorities have further proclaimed that everybody must set their houses in order on Monday and Tuesday of next week. John, the junk man, impersonated by the drivers of four municipal teams, will begin the work of removal of debris Wednesday morning, starting at Ellis street and working down hill. There may be fines levied if any properties are left in unsanitary condition after that date, but it is believed that all householders and property owners will take advantage of this opportunity for making the spring clean-up.

DURING MARCH THE WINDS WERE STILL

WEATHER WAS MUCH LESS BLUSTERY THAN AVERAGE FOR THE MONTH

Tonopah practically stood still last month, so far as wind movement was concerned, it being 2,081 miles less than the average. With but one exception, the snowfall was the heaviest on record, being 9.5 inches. The only parallel was in March, 1912. The highest atmospheric pressure during the month, according to Observer J. C. Piercy, was 30.38 on the 14th, and the lowest was 29.49 on the 1st.

The highest temperature during the month was 66 degrees on the 22d and the lowest was 22 degrees on the 5th. The total precipitation from September 1, 1914, to date was 2.53 inches. The normal for the period is 5.93. The prevailing direction of the wind was from the west and the total movement was 5,508 miles. The maximum velocity was 36 miles an hour on the 18th. In the month there were 11 clear days, 14 partly cloudy and 6 cloudy. No miscellaneous phenomena were reported.

WATCH STOLEN; NO PROSECUTION

A drunken mixup occurred last night between a Mexican and an Indian. The police were invoked by the latter, who claimed to be robbed of a watch. The timepiece was found on the person of the gentleman from below the Rio Grande and he was locked up. This morning peace was restored, likewise the Ingersoll, and no further proceedings will be had in the matter.

DISSOLUTION OF PARTNERSHIP

Notice is given to the public that on this day, March 18, 1915, the firm of C. Fuetsch and F. Schneider, proprietors of the C. & F. bar, was dissolved by mutual consent, F. Schneider retiring. The new and sole proprietor, the undersigned, will collect all accounts and pay all bills. AdvM25110 C. FUETSCH

GUILTY PLEA IS ENTERED IN COURT

DEGROOT WILL BE SENTENCED BY JUDGE AVERILL ON APRIL 6

H. L. DeGroot was the fourth of the defendants to plead guilty to felony charges in the fifth judicial district court. He was apprehended in the act of inflicting great bodily injury upon the person of Dr. J. A. Roberts in the Valley View hotel on the evening of January 21 of this year. It was a royal battle, the aged physician putting up such an excellent defense that the furniture in the room was wrecked when aid came from Robert Mayes, Ed Harmer, Al Hague, Mr. Brown and others who were attracted from the hotel office by the outcries.

The defendant was duly bound over by Justice Dunsen and indicted by the grand jury. His case was postponed from time to time until finally it came up before Judge Averill this morning. The original charge was assault with intent to commit murder, but the counsel for the defense stated to the court that his client would plead guilty to assault with a deadly weapon, provided the charge was reduced. This was done and the plea of not guilty was changed to guilty; this morning at 10 o'clock. Judge Averill will pronounce sentence on April 6. The crime carries with it imprisonment from one to two years and a heavy fine, at the discretion of the court.

CHARLES DUCHENEAU, auditor of the Tonopah Belmont Development company, returned this morning from Philadelphia, where he was called on business for the company.

HENRY C. SCHMIDT, district deputy grand exalted ruler of the B. P. O. E. for Nevada, returned this morning from Goldfield, where he paid an official visit to the Goldfield lodge of Elks last evening. At the conclusion of the meeting, a banquet was served and some excellent post-prandial addresses were delivered.

SERBIAN BURIED BY HIS FELLOW COUNTRYMEN

The funeral of Mike Senja, a Serbian, took place yesterday afternoon at 4:30 from Wonscott & Cavanaugh's undertaking parlors. There were sixteen automobiles and other vehicles in the cortege, the fellow countrymen of the deceased turning out en masse. The young man was a miner and his death was caused by pneumonia. The interment took place in the Serbian lot of the local cemetery. A short ceremony in his native language was read at the grave.

BUTLER THEATER

Another interesting program has been arranged for the Butler this evening, as follows: "The Stone Heart," an Edison drama; "The Little Engineer," a Kalem railroad drama, an episode of "The Hazards of Helen" series, and "The Hour of Three," being the 11th episode of "The Exploits of Elaine" with Pearl White and Arnold Daly—getting more exciting and more interesting with every number. "Craig Kennedy," the great scientific detective, has his hands full in endeavoring to keep "Elaine" and himself free from "The Clutching Hand," which is ever upon his track with the determined intention of destruction.

Tomorrow Lillian Walker will be seen in a Vitaphone comedy, "Breaking In."—Adv.

DISASTER BRINGS GRIEF

It developed today that the submarine disaster at Honolulu brought sorrow to a young woman who arrived in Reno Wednesday, Mrs. Elizabeth Cody, who was the fiancée of George Ashcroft of Los Angeles, gunner's mate on the ill-fated boat. Mrs. Cody was en route to her home at Los Angeles from Cheyenne, where she had been visiting relatives. She is remaining in Reno to see if she can hear some definite news of the disaster.—Gazette.

BRAKEMAN FALLS FROM TRAIN

C. M. Edwards, a brakeman on the west end, either slipped or was thrown from an extra westbound train Wednesday morning and his neck was broken, with death occurring almost instantly, says the Sparks Tribune.

The sad accident occurred at Anderson, a station about four miles west of Truckee at about 7:30 this morning.
